

Some Reactions on the Free Gaza Song

Anis, August 26, 2008 (quotes will be updated)

Not everybody likes the Free Gaza Song, this is normal. Yet the hate mails and defamatory reactions I received so far can be called extraordinary. One guy calls me a Nazi because I wrote a book about Islam, another one insinuates that all Palestinians are Nazis, several people tell me that the Free Gaza Song is about killing Jews and supporting terrorism. When you listen to this harmless song you will wonder why such strong reactions happen. In our societies it is relatively easy to do this and get away with it when you allege that something is against Jews. The two words "Free Gaza" seem to suffice. Actually, my Jewish friends and colleagues shake their heads when they see the quotes below: Ofer, Hedy, Angela, Jeff, Noam, Rolf, Evelyn, Uri S., Uri A., Reuven and many more. I think it is good evidence to show what these people below have on their minds. Note that these are not just some freaky controverters: they follow arguments of the Israeli government, exaggerate them a little and mix them with insults. With some of these people you can argue, but not far. The western educational systems teach that Jews are eternal victims and there are powerful political alliances against "anti-Semitism", here in inverted commas, because it includes anti-Zionism and the defense of Palestinian human rights. Many of these "anti-Semites" got kicked out of the discourse. Think!

"dwave": Germans and Palestinians - some people never change.

"majorleads": So basically what it all boils down to is that your song is about killing more Jews

"nebo3003": 1. JA! Free Gaza from this murderous, criminal, primitive, inhuman HAMAS ISLAMISTS! 2. Do you have a problem with jews or why you are not sining a "FREE TIBET" song?

"rafistern": 1. As I was saying before- I heard this was the theme song on the Kari'in A boat. Oh and also Nasrallah just announced that he would like to make this the Hezbollah national anthem. Dude, it looks like you were a really big hit. 2. oh, and by the way-- did you know that the majority of Mediterranean Sea is Palestinian baby blood? 3. (on my video of a TV show about my book "Islam for Kids": Oh, why didnt you say so before??? You love Palestinian terrorists because youre a Nazi.

"Harounalmasri": Ridiculous song, but a great sense for timing: While 180 Fatah thugs are fleeing Gaza from what they call a "war of genocide" by Hamas and seeking refuge in Israel, a boat with international Jew haters sails to Gaza in support of Hamas. If you have to sing silly songs supporting islamist terrorists please: next time grow a beard and cover this shameless (umarried?) woman in the middle who normally should not be allowed to leave the kitchen except for serving food, in case you don't know.

"primodelcampo": Is this the silly Chiquita-Song with new silly lyrics? Hamastan is free. They got a free elected Terror-President, plenty of weapon ...

"gtamir613": 1. The People of Gaza have built those walls by supporting a leadership that only cares about the death of Jews in Israel. It is their stated goal - they freely admit this, it's not just me saying it. 2. It's more dangerous to keep teaching your children that Jews are pigs and they should all be killed - or haven't you seen the crap that is taught to innocent Palestinian children? I realize the truth is difficult to hear but it's like Golda said, "their will be peace when the Arabs love their children more than they hate the Jews."

"SchuffleFusz": 1. Ah yes, freeing Gaza from mass-murdering theocratic wife-beaters and freeing the rest of us from degenerate culture and politics, particularly as expressed in song 2. Anis, how come C.s insults are not "incitement"? Is it because, like you, he's a Hamas booster?

<http://elderofziyon.blogspot.com/>: The "Free Gaza" movement has a song contest. Yes, moonbats with guitars are gathering to put together unbelievably bad crap they pretend to be music in support of the rights of terrorists to kill Jews with impunity. The video announcing the contest, along with a pathetically bad "Free Gaza" theme song, can be seen here. Since I cannot resist a contest, you can see my version of their song here. Most of the video and all of the audio is taken from the original but the lyrics and annotations make it a bit more...accurate.
